

Zebra's Printhead Protection Program

Replacement Printheads at No Cost

Why Choose Zebra Certified Supplies?

When printheads wear down, print quality suffers -- which can impact your operations.

Easy Enrollment

- We will provide you with an Enrollment Form to complete.
- Once you are enrolled, we will complete a Printhead Request form for you.
- Your enrollment lasts for one full year.

Outstanding Quality

Zebra's labels and ribbons are tested to ensure minimal printhead wear, enabling longer life and lower total cost of ownership of your printers.

Exceptional Service

Get the supplies you need, when you need them. We offer a wide variety of products suited to your printer needs. From thermal transfer ribbons to labels, tags and more.

Unmatched Expertise

Zebra is a leader in thermal printing and supplies manufacturing for over 50 years with quality and consistency at the helm.
